

Minutes
Pickerel and Kimball Lake Improvement Board
July 17, 2018
7:00 P.M.

Board Members Present: Twing, Alsover, Hobbie

Board Members Absent: Willett

Also Present: Lynn Norlin, Trudy Norlin, Mark Neymeiyer, Carol Spangler, Gary Ebels, and
Cindy LaBelle

1. The meeting was called to order by Chair Alsover at 7:00 p.m.

2. Agenda:

Motion by Hobbie, seconded by Twing to approve the agenda. All ayes. Motion carried.

3. Approval of Minutes of 5/15/2018

Motion by Twing, seconded by Hobbie to approve the minutes from the 5/15/2018 meeting as submitted. All ayes. Motion carried.

4. Public Comment – 2 Minutes

A general discussion was had about the weed treatment and the issues around where it was treated and how effective it was. There was some discussion as well about the need for better communication around noticing and the irrigation restrictions.

5. Financial Report:

Motion by Hobbie, seconded by Twing to approve financial report as submitted. All ayes. Motion carried.

6. Old Business

None

7. New Business

A discussion about chemical applicators and the possibility of bidding took place. The fact was stated that there has always been a number of lake residents that would like PLM to be the contractor because of the relationships to the lake

people. It was discussed how we picked Savin and that we have discussed it most years and stayed with him. It was stated that we did bid out and that it was determined that the bids between Savin and PLM were very close to the same. It was decided that we would stay with Savin rather than change. It was also indicated that the past board chairman and past drain commissioner have stated that they have caught PLM being unethical and would not support them. Twing stated that several years ago he had talked to Brea from PLM and stated that they should come to the lake board meeting and address this if they really wanted to get the contracts back.

Motion by Hobbie to have Tony Groves put together a bid package and send out for the spraying of the lakes, and then bring back a recommendation to our next meeting, seconded by Alsover. All ayes. Motion carried.

Tony Groves distributed and went over his information about what they say and what he was doing, involving developing the long term management plan.

8. Correspondence/Bills

Motion by Hobbie, seconded by Twing to pay Progressive for professional services in the amount of \$2,125.00 All ayes. Motion carried.

Motion by Hobbie, seconded by Twing to accept Savin Lake Services Liability Insurance Certificate as provided. All ayes. Motion carried.

9. Miscellaneous

None.

10. Public Comment – 5 minutes

A general discussion ensued about what was going on at the lakes and that maybe we would quit treating in Neymeiyer's Cove if residents agreed, just to see if it would help reestablish the native weeds. There was a consensus of the board and Tony that we would do that if Neymeiyer got his neighbors to agree.

We looked at an odd fish that was brought in and had Tony and others try to determine what it was.

Cindy Labelle has been working with Neil Schock from the DEQ to put a small beach and bottom by her property. She has done some very nice environmental things there, and Neil saw some very healthy plant growth that he did not want disturbed.

11. Adjournment

Motion by Hobbie, seconded by Twing to adjourn the meeting. All ayes. Motion carried.

Meeting adjourned at 8:18 p.m.

Dale E. Twing, Secretary
